Thank you for booking with Kaua'i Sugarloaf. We are looking forward to showing you around! Please keep in mind that this is an outdoor walking tour (~2 hours long). We recommend wearing shoes that you do not mind getting dirty, as the red soil here can sometimes stain your shoes. The total walking distance is less than a quarter of a mile, but the majority of the tour takes place standing outside with little shade (depending on cloud coverage). If you need to cancel due to mobility issues or problems with standing in the sun, please let us know as soon as possible.

PLEASE DRIVE SLOW

Please arrive 15 minutes early to allow time to use the restrooms, drink some water and apply sunscreen.

We have a google maps pin that takes you to the entrance of our farm, as well as detailed written directions below. Apple maps will not get you to our farm, make sure you use our pin or written instructions,.

**** BEFORE ATTEMPTING THE DIRECTIONS, PLEASE KEEP IN MIND...** the mistake that most people make when trying to find us is the first turn off of the highway. When you turn off the main highway, go straight but **DO NOT** go through the gate that says Heart and Soul Organics. Instead take a sharp right hand turn on the blacktop road (this can be hard to see, so drive slowly and look to your right). The pin below will take you this way, but many people get lost since the blacktop road is hard to see when you first pull off the highway.

Here is a pin that can get you to the entrance of our farm where you will see a large white banner that says "Kauai Sugarloaf Pineapple": (<https://maps.app.goo.gl/oMs1Sa8XGdYGqKh9A>)
Once you enter through the open gate, please follow the gravel road as it bends left and then right. There will be four signs along the way. You will pass a green metal building, continue following the road until you see two more green buildings with a green canopy. Please wait to be assisted on where to park. My phone # is (808) 635-0061 if you need assistance.

Here are detailed written instructions if you have problems accessing the pin above:

**** We are 5 minutes and only three turns off of the main Highway.****

Here is a landmark very close to the farm, known as the Moloka'a Sunrise Juice Bar:

[6011 Koolau Rd, Anahola, HI 96703] (<https://goo.gl/maps/6VJuWi1Fy9A2>)

- Once you turn off the highway go continue straight to where the road turns to dirt and take the immediate right hand turn onto the paved blacktop. (Do not go in through the gate to the Heart and Soul Composting facility)
- Once you take a right, you will be on a paved blacktop road with 4 speed bumps.
- After the last speed bump the blacktop pavement ends, bear left here and continue driving about 0.3 miles.
- On the right side you will pass a few dirt driveways with gates so start looking for the driveway on the right that has the Kauai Sugarloaf Pineapple banner sign. Turn Right into this driveway, go through the open gate and follow the dirt/gravel road.
- Follow the dirt/gravel road as it bends left, then right, and then it bends right again at a point which is just past my large, curved roof, green metal.
- You did it! Drive towards the green canopy and the green buildings. Please wait to be directed on where to park. My phone # is (808) 652-6306 if you need assistance.

Please drive slow out of respect for our neighborhood.
