Terms and Conditions

A valid driver's license and credit card in the driver's name must be presented on pickup. Debit cards may be accepted but could have limitations on which size or type of vehicles you may rent . Please read the DETAILS section below to see if your rental would qualify with a debit card. Debit Cards may cause additional requirements and might be subject to a credit check. We have no control over where and when a debit card will not be accepted. Both the car rental companies and specific locations terms and conditions may vary.

Young drivers aged 20-24 can only rent certain vehicles, and may or may not be able to use a debit card. Please read the DETAILS section below so you know which vehicles you qualify to rent, and which companies offer the best young driver fees.

Before signing the screen at the counter when you pick up your car, please take the time to be sure the total is what you were expecting and no extra charges have been added. You can ask to have any optional charges removed before you leave the counter. Once you sign, you are responsible for all charges.

The car rental company insurance you will be offered at pick up is optional. Make sure you have checked with your own insurance company before you travel to be sure you have all the protection you need. If you are confident you have enough insurance, you can refuse the insurance offered at the counter. You will be responsible for all charges/damage to the vehicle, towing fees, etc. if your insurance does not cover you. It is important to fully review all the details of the contract before you officially sign for the vehicle. Make sure to verify all of the charges before leaving the counter. Once you sign the contract, you are responsible for all charges.

See DETAILS for specific location info (e.g., insurance, driver age, mileage and geographic restrictions, shuttle info and additional charges)

If you have any problems at all, or are not satisfied with the car or the service you receive at the rental location, please contact us (1-800-292-1930) as soon as possible, so we can help rectify the situation to your satisfaction. We have no control over the service you receive on any given day from any of the rental companies, but should you have an issue, we want to hear about it as soon as possible. If you do not want this reservation please inform us so we can cancel for the benefit of others.

All rentals are subject to the rental company's terms and conditions that are in effect at time of rental. Policies can change from time to time - please make sure you are up to date on their terms by reading the DETAILS section.
